Dear Parents

Re: Coronavirus

As I am sure you will appreciate, we are currently dealing with a complex and rapidly changing situation. My first priority will always be the health and safety of the pupils and staff in our school. Now more than ever, this remains our primary focus.

This is an entirely unprecedented situation and I am following official advice from the government and the NHS. This advice is being added to on a daily basis and we are monitoring and responding to that as it is published.

This official advice will underpin all the actions we take.

Whilst I appreciate that there will be a wide range of different views about how we should be responding and what actions should be taken, I hope you will appreciate that I am duty bound to follow the official advice from government.
