Friday 12th March 2021

Dear Parents

It has been a very happy first week back with us all in school together again. We have all been delighted to see all the children happy with their learning and being with their friends again.

As Covid restrictions hopefully ease over the coming months, we will look forward to planning events such as sports day, which we will no doubt, all enjoy. Next week it is Comic Relief on Friday. I request that you do not send your children into school with red noses as they are not very Covid compliant, instead children are invited to come into school next Friday wearing red or any bright colours in exchange for a donation.

The following week will see the end of term on Friday 26th March. On this day, we will have our first egg rolling competition to see whose decorated hard boiled egg will roll the furthest down the hill on our field. If your child would like to participate in this, they will need to bring in a decorated hardboiled egg on Wednesday 24th March so we can display them before rolling them on the Friday. FOWS are kindly providing a chocolate Easter egg which they will swop for a decorated hardboiled egg, We look forward to seeing all of the children egg-citing designs!

My thanks to all of you who have completed the online Parent View survey, we are expecting an Ofsted monitoring visit imminently. Ofsted will be keen to hear your views about how the school has progressed since September so I would be grateful if you have not completed this, if you would find 2 minutes to do so. Staff and Governors have been working very hard to make the necessary improvements since the disappointing judgement in January 2020. We are proud of what we have achieved so far and have many more plans to develop even more over the coming weeks and months.

I thank you very much for all your support. As ever, if you have any comments that would like to discuss with me, please let me know when I am out at the school gate and we can arrange a suitable time.

With very best wishes

Rachel Ray
