Grand Summer Raffle

It would be greatly appreciated if anyone could donate any prizes for this years 'Grand Summer Raffle'.

Our 'in school theme' will be 'Garden/Gardening'. We are asking for a donation of an item to make a 'Garden Hamper'. We will have a non-uniform day later in the year so the children can bring these items into school.

All funds raised will go to 'Friends' of Weaverthorpe School and Air Ambulance (Min £200 to be given to Air Ambulance).

Church Events

The Messy Church day is changing from the third Sunday in the month to the first Sunday every month but keeping the same time 2-3.30pm and the same location: Weaverthorpe Village Hall. This is to make way for a new service for families and a Sunday Café (see below).

New Family Service starting at West Lutton Church from 9.30-10.30am on 3rd Sunday of each month. This service will have the traditional hymns and prayers with the bread and wine but also more relaxed music and a chance for more involvement (like the Easter service we had last week). The service will be followed by Sunday Café.. see below.

Sunday Café starting at West Lutton Church from 10.30am-11.30am on 3rd Sunday in each month. Like the very popular Luncheon Club at Kirby Grindalythe and the Brunch Club at Weaverthorpe, this Sunday Café will be a chance to come and enjoy a bacon buttie, coffee and tea and a relaxing chance to meet up and chat together.

Are you interested in being a Parent Governor?

What are we looking for?

Our school Governing Body is made up of Community, Parent, Partnership, Staff and Local Authority Governors. Our Governors may come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the School and are the link between the School and the community it serves.

We are currently looking for a new Parent Governor and would be delighted to hear from anyone who has:

- an interest in the performance of the school;
- a desire to contribute to and represent the community;
- an open and enquiring mind;
- the ability to look at issues objectively;
- the confidence to ask questions and join in debate;
- a willingness to listen and make informed judgments;
- the ability to work well with others;
- time to spare.

If you match the above description, you may be the very person to become a Governor at Weaverthorpe CE (VC) Primary School. Everyone has something to offer and we want people from as many backgrounds and with as wide a range of interests as possible.

What can we offer?

- A chance to develop skills in strategic management;
- The opportunity to work with our team of governors and staff in improving our School;
- Training to develop an understanding of specific School management issues;
- A sense of achievement in making a difference to our School;
- The pleasure of helping students reach their potential.

What is the Governing Body's Role?

The Governing Body of our school plays a key role in:

- setting targets for raising standards of educational achievement;
- monitoring progress towards meeting these targets;
- finding the right balance between supporting and challenging the performance of the head teacher and therefore the performance of her staff and the school as a whole;
- deciding policy and future development plans;
- upholding good governance and working towards the success of the School.

The Governing Body works together as a team:

sometimes the whole governing body is involved - there are a minimum of six meetings of the Full Governing Body each year.

Sometimes Governors work in smaller working groups or monitoring pairs, looking at specific areas of the school's work in more detail. Some Governors have specific responsibilities – for example, Special Educational Needs, Health and Safety. In addition to a full and detailed induction programme, all Governors have the opportunity to undertake further training to build on existing skills or to help develop new one.

Being a governor can be enjoyable, stimulating and rewarding. Please don't be put off by thinking that you have to have specialist expertise or knowledge. Enthusiasm and interest is much more important to start with and there is tried and tested training and support available to help you throughout the four years term of office. And remember, you will be joining a long established governing body and will be supported by fellow governors with many years of combined experience. If you are interested, please contact Miss Wilkinson (head teacher) or Femi Shellard (Chair of Governors) for an application form, or to find out more about the role and the appointment process.
