Dear Parents

We had a Governing Board meeting this week. As part of this, we were discussing the progress we are making towards our School Development priorities. We talked about the wider experiences the children can access and I know the children in Silver Birch enjoyed their trip to the play park at Ebberston - which was more than just fun as they were launching their new topic about forces at the same time. Willow class are also looking forward to their trip to the Rotunda museum in Scarborough on Monday too!

I had a conversation with Mr. Cairns too last week. He was full of praise for all the children's new found love of PE and sports in school. Mr. Cairns really was brimming with pride! So, I asked him to put down a few words for the newsletter. This is what he said; "The improvement in the pupil's attitude to sport has been huge over the past 18 months. Their confidence and ability levels have increased so much and it is so good watching them in lessons. To hear them laughing and enjoying the competitive side of sport is great to see.

Mr. Wright and me were watching them on Tuesday and said the standard right from Reception to Year 6 is so good which shows the improvement since I first met them". Huge well done to all the children for their excellent effort and resilience shown in PE - and thank you to Mr. Cairns too!

The planned events at Malton Sports Centre over the next few weeks will be a good opportunity for both classes to show off their skills to children from other schools! We will share photos with you when they have been.

In the meantime, please do not hesitate to contact me about anything, large or small, as I appreciate that this is a hugely challenging time for everyone.

With very best wishes

Rachel Ray

Music hub in school

We had a visit from the music hub. They were a band of 5 people who played different instruments from piano to trombone. They were very good and very loud! All the children had a wonderful morning and are now very inspired. If any of your children are interested in playing a musical instrument, please get in touch with the music service on:
