Dear Parents

I have received the following information from the Council this morning -

I am just writing to inform you that at the meeting this morning the executive made the decision to approve the proposals to:

- i) To cease to maintain Weaverthorpe CE VC Primary School with effect from 31 August 2022.
- ii) To expand the catchment area of Luttons Community Primary School from 1 September 2022, to include the current Weaverthorpe School catchment area; with the exception of the current joint catchment area of Weaverthorpe and Hertford Vale CE Primary Schools (serving Butterwick), which will remain part of Hertford Vale's catchment area.

The decision is subject to a period of 5 working days of 'call in' which is a period in which Members can call the decision back for further scrutiny. I will notify you when this period has elapsed but experience tells us this is highly unlikely. Until the call in period has expired the decision cannot be implemented.

It goes without saying that this is a very sad day for our school and community. I would like to reassure everyone that as a staff, we will continue to do our utmost to support the children, especially in their transitions to their next schools.

If anyone would like to discuss any matters related to this, please do not hesitate to contact Mrs Bowman or myself.

With kindest Regards

Rachel Ray
