17th May 2022

Dear Parents

I write to update you on the ongoing process for school closure at the end of this term.

The second consultation period on the school closure proposal ended on 29 April. The final decision was scheduled to be taken by NYCC Executive on 31 May.

However, we have been informed that this date has now been changed to 21 June due to the recent elections, and the scheduling of business for the new Council.

Council officers have confirmed that their recommendations for school closure in August 2022, and the new catchment area arrangements from September 2022, are both unaffected by this delay.

We will share the website link to the Council's Executive report when we receive that in June.

As ever, my best regards to you all.

Rachel Ray
